Subject : *Issue with Habib Group Client Reply*

Hey **Saheel**,

It is with great sadness I have to decline. As you know I was going to pick my lunch, after that I have my own set of works undone. They will take some strategies. I've fallen behind and it will be time consuming to finish up within deadline. Hope you will manage this by any means. I will surely appreciate if you understood my position. I am really sorry.

Regards,

*Siddiq*
